Dear Glenn,

On behalf of the Cheyenne Mountain Zoo staff, I would like to extend my sincerest thanks for your work on the stream and waterfall for the outdoor gorilla exhibit at the Primate World renovation.

We appreciate your willingness to take over the project at a late stage, and your capability to complete the stream and pool within our tight time schedule. In addition, your ability to work with our staff and address the unique challenges presented by a stream that is inside of a gorilla enclosure was outstanding.

Please also extend our thanks to Lowell Kaufhold, who as the on-site supervisor was efficient and responsive to our needs and concerns.

Sincerely,

Robert W. Stout
Construction Manager
